

### Cities of CICIND Meetings

The following flags, ensigns and standards represent the cities and towns where CICIND had held Conferences or Technical Meetings. From the very first event in Edinburgh in 1973 through the last event in 2008 in Windsor, United Kingdom all cities are represented to demonstrate the universal and global character of CICIND. In this period Conferences and Meetings had been organized in all five continents, most of them in Europe followed by North America.

The last entry: Shanghai 2009 is a short outlook into the future.
